GOVERNMENT OF TELANGANA

ABSTRACT

Digital Governance 2026-27 – Implementation of the e-Sanction Module (excluding works-related sanctions) across all Departments in the State – Orders – Issued.

FINANCE (BG) DEPARTMENT

G.O.Ms.No.139 Dated:17th October, 2026.

Read the following:-

Minutes of the e-HRMS Meeting held under the Chairmanship of Chief Secretary to Government, dated:08.10.2026.

& & &

ORDER:

During the review meetings, Government observed that there is no uniform and integrated system for issuing and monitoring sanctions, other than works-related sanctions, across Government Departments. Sanctions are issued in varying formats through separate processes and are not captured in any common database. As a result:

(i) Bills cannot be verified against the sanctions under which they are drawn, leaving scope for expenditure beyond the sanctioned amount and for multiple claims against the same sanction.

(ii) Commitments created by sanctions become visible to the Finance Department only when bills are presented, after the liability has already been incurred and created.

(iii) There is no consolidated view of sanctions issued, expenditure incurred against them and amounts pending payment, which constrains the assessment of liabilities, the planning of fund releases and the monitoring of expenditure.

02. The matter was reviewed in the meeting held under the Chairmanship of the Chief Secretary to Government on 08.10.2026, read above. To address these gaps, Government has decided to introduce the **e-Sanction Module** as an integral part of the Integrated Financial Management Information System (IFMIS) across all Government Departments, excluding works-related sanctions, which are covered under the Works Accounts Management Information System (WAMIS). The e-Sanction Module has been developed to establish a uniform, transparent and accountable digital system for creation, approval, issuance and monitoring of sanctions and the corresponding expenditure. The introduction of the e-Sanction Module forms part of the Digital Governance reforms being implemented by the Government.

03. The e-Sanction Module, developed within the Telangana IFMIS portal, shall serve as a common digital platform for processing and issuing all sanctions, other than works-related sanctions, across Secretariat Departments, Heads of Departments (HoDs), district offices and other subordinate Government offices. The module may be accessed at **https://ifmis.telangana.gov.in/esanctions**.

04. All sanctions shall be generated and issued through the e-Sanction Module by the competent sanctioning authorities in accordance with the existing rules, procedures and delegated financial powers. Issued sanctions shall flow electronically to the logins of the respective Drawing and Disbursing Officers (DDOs), who shall select the relevant sanction while preparing each bill. Every sanction, bill and payment will thus be linked through a single verifiable chain, addressing each of the gaps noted above.

05. Government, after careful examination of the matter, hereby orders the implementation of the e-Sanction Module, as part of IFMIS, across all Government Departments in the State henceforth. Accordingly, all sanctions, other than works-related sanctions, shall be generated, approved and issued exclusively through the e-Sanction Module of Telangana IFMIS. The corresponding bills shall be prepared and processed in IFMIS by linking them to the respective electronic sanctions, subject to the operational instructions issued by the Finance Department from time to time.

06. All Secretariat Departments, Heads of Departments, district offices and subordinate Government offices shall ensure strict implementation of the e-Sanction Module. The competent sanctioning authorities shall ensure that all sanctions are issued through the prescribed electronic workflows. The Heads of Departments shall issue necessary instructions to all offices under their administrative control and ensure compliance with these orders. The existing financial rules, delegated powers and prescribed procedures for according sanctions shall continue to apply.

07. The implementation of the e-Sanction Module will also facilitate compliance with the reform requirements prescribed under the Scheme for Special Assistance to States for Capital Investment (SASCI), 2026–27, thereby enabling the State Government to seek additional incentives under the Scheme, subject to fulfilment of the prescribed conditions.

08. In preparation for implementation, training programmes have been conducted for District Treasury Officers (DTOs), Pay and Accounts Officers (PAOs), Sub-Treasury Officers (STOs) and Drawing and Disbursing Officers (DDOs) of Secretariat Departments and Heads of Departments. Online tutorials and user manuals have also been made available on the IFMIS portal to facilitate effective utilisation of the e-Sanction Module.

09. A district-wise list of designated Nodal Officers from the Treasury and Works PAO offices is appended as an Annexure to this order to provide necessary assistance to DDOs and other officers concerned at the district level. Issues that cannot be resolved at the district level may be referred to the IFMIS Helpline: +91-7042420033. or to Sri Kalyan, Manager, Mobile No.9052502008, IFMIS Team, for further assistance and resolution.

10. Smt. Sikta Patnaik, IAS., Special Secretary to Government is appointed to supervise and overlook the implementation/rollout of the e-Sanction module. For further guidance and clarifications, the department officials may contact Smt. Sikta Patnaik, IAS, Special Secretary to Government, Finance Department, through email at splsecy-finance@telangana.gov.in or on 8712318222.

11. All Departments shall accord priority to the implementation of the e-Sanction Module and ensure strict compliance with these orders henceforth. The Finance Department shall issue further operational instructions, wherever necessary, for effective implementation of the system.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF THE TELANGANA)

SANJAY JAJU
CHIEF SECRETARY TO GOVERNMENT

To:
All Administrative Departments of Secretariat,
